QUORUM. 13 Voting Members, 50% required for quorum

NOTES:

1. **Scientific Status. S** = Scientist – any member with scientific training, or sufficient expertise to evaluate scientific issues involving biomedical or behavioral research.
NS = Non-Scientist – any member whose primary concern is non-scientific eg social scientist, teacher who represents the general perspective of participants and the community.
2. **Alternate Voting Members.** An alternate member in this roster is substituted for the voting community representative when unavailable at a REC meeting.

Roster Approved by

Dr. Jackson Orem
 Director, Uganda cancer Institute
