

Uganda Cancer Institute

UNDER EXTERNAL ADVERTISEMENT NO.2/2025

CONCLUSION OF RECRUITMENT PROCESS

The Uganda Cancer Institute (UCI) wishes to inform all applicants who applied for positions advertised under External Advert No. 2/2025 that the recruitment and selection process has been successfully concluded.

Candidates who have been shortlisted, interviewed and selected have been duly contacted through the official communication channels provided during the application process.

Accordingly, applicants who have not received any communication regarding their application by the date of this notice should consider themselves unsuccessful.

UCI extends its sincere appreciation to all applicants for their interest in joining the Institute and for the time and effort invested in the application process.

We encourage you to apply for future opportunities for which you meet the requirements.
