

Uganda Cancer Institute

# UGANDA CANCER INSTITUTE (UCI)

## EXTERNAL VACANCY ADVERTISEMENT NO. 1/2023

**Uganda Cancer Institute (UCI)** is an Autonomous Institution under the Ministry of Health established by the Uganda Cancer Institute Act, 2016. The Act mandates the Institute to undertake and coordinate the management of Cancer and Cancer related diseases in Uganda. The main focus of the Institute is Cancer treatment, prevention, Research and Training in Oncology, Pediatrics, Gynecology, Radiotherapy, Surgery, Imaging and Radiology, Nuclear Medicine among others.

In order to increase access to cancer services, the Government of Uganda and Uganda Cancer institute adapted a strategy of establishing Regional Cancer Centres in Mbarara, Arua, Gulu and Mbale to offer cancer services at regional level.

The Government of Uganda has provided funding to Uganda Cancer Institute to operationalize UCI-Regional Cancer Centre, Gulu. In order to functionalize the centre, the Institute is in the process of recruiting staff to fill the gaps in the structural establishment at the Uganda Cancer Institute, Kampala and at the UCI-Northern Regional Cancer Centre, Gulu.

Applications are being invited from qualified Ugandans to fill the vacant positions below: They should be addressed to the Executive Director, Uganda Cancer Institute, P. O. Box 3935, Kampala, accompanied by detailed Curriculum Vitae, copies of Academic Certificates and Professional Certificates, names and address of three Referees and submitted to the UCI Central Registry, not later than **Thursday 30<sup>th</sup> November, 2023.**

Detailed job descriptions and Person Specifications for the advertised positions can be accessed on UCI web site, [www.uci.or.ug](http://www.uci.or.ug)
